For Weakness, Lassitude, Lack of Energy, &c. &c. IRON enters into almost every organ of the body. IRON enters into almost every organ of the body. IRON enters into almost every organ of the body.

## PINKEYE.

A Remarkable Cure of a Horse.

On James L. Fleming, a prominent grocery merchant, a member of the firm of Fleming & Linton, a gentleman, who makes the following statement of the treatment of a valuable horse with Pinkeye's Specific:

In the fall of 1883 I had a valuable colt taken with a severe case of Pinkeye, which resulted in the most fearful case of blood poisoning I have ever seen. After eight or nine months of doctoring with every remedy that I could hear of, I despaired of a cure. At this time the horse was unable to move because of swollen limbs. His right hind leg was as large as a man's body, and had on it over forty running sores. He had also a number of large sores on his body, and other limbs. He was a most pitiable looking object, and I was advised to send his sufferings with the shot gun. He was a valuable animal, and I did not want to lose him. After making my brain in search for another remedy, more efficacious, I thought of Pinkeye's Specific. I knew it was valuable to the human family as a blood purifier, and why should it not be for the animal as well? I did not hesitate, but sent, not July, to Atlanta for a supply.

I began the treatment with a dose of S. S. 9, and a box of water three times a day. This I continued for a week. Then I increased the dose to 6 oz. of S. S. 9, and continued for a week. Then I increased it to 8 oz. and run it a week when I went back to 6 oz. again. The result was that at the end of the first week the horse had a fair appetite, which he had not had since his sickness. At the end of the second week even greater improvement was apparent, for many of the sores were healing nicely, and the horse manifested a desire to move about. At the end of the third week he was able to show gain in flesh, and had fair appetite. The swelling had about disappeared. I used in all about 15 bottles of Pinkeye's Specific, and when I quit its use the horse had only four small sores left on him, and they healed up immediately.

In August last all symptoms of the disease passed away, and up to date no signs of the return of the trouble have made their appearance, and the horse has done a mile's work on my farm.

I regard it one of the most remarkable cures I have ever known. This Pinkeye's Specific has proven a boon to the animal, as well as to the human race.

## HARVARD WINS

In Friday's Race With the Yale Crew.

OFFICIAL TIME MADE 25.15 1-2

California Horses for the Derby—The City of Tokio Lost—Fish to Go to Jail.

## Harvard Ahead

NEW LONDON, Conn., June 21.—A Yale man just from the boat house says Captain Flanders, of the Yale crew, required the services of a physician this morning, and that Appleton will be substituted. It is also reported that the race may be postponed until afternoon. Not in the history of Yale-Harvard aquatic has the interest manifested previously to a race been brought to such a high state of excitement as it was before to-day's contest. Early last night all the hotels were overcrowded, and lodgings were not to be had at any price. Night trains from Boston and New York, and New York boats largely increased the number of visitors, and morning trains from all directions came in crowded. New Haven sent an excursion train of fifteen cars in addition to the regular trains. The betting which after Columbia's race changed from odds on Yale to even money, and then to odds on Harvard, is now about even. An unusually large amount of money has been put up on the result of the race. The final betting was about even, although some enthusiastic Harvard men gave odds rather than to place their money. At 8 o'clock the water was in excellent condition, there being but a slight ripple and a very slight southwest wind.

The decline in Yale stock was due to Captain Flanders' illness. Although Flanders was ill, it was decided that it would be better for him to row than to make a change in the stroke. At about 9:45 the breeze freshened considerably and blew almost square across the course. This was considered an advantage for Yale. The water had grown quite rough at 10:15 o'clock. Harvard's boat came out at 11:02, Yale following a minute later, and both crews paddled leisurely to the starting point. At 11:20 the word was given and Yale took the water very quickly and obtained a lead of about two feet. Harvard settled to her work, however, and at fifty yards from the start had drawn up even and was beginning to draw ahead. In less than 300 yards, Harvard, however, showed her stroke and at the first half mile had a clear lead of over a length, which kept increasing. Yale still rowing 40 and Harvard 35. At the first mile Harvard led by two lengths, her time being 5 minutes and 50 seconds. At the mile and a half, Yale spurted and began to decrease the lead a trifle. Harvard immediately increased her stroke and began to draw ahead again. At the mile and a half, Harvard's time was 8 minutes and 20 seconds, and the race was virtually over. At two miles, Harvard led by three lengths, pulling a fine steady stroke of 37. Yale hit her stroke up again opposite the navy yard, but Harvard easily held her own. Harvard made the two miles in 10 minutes and 21 1/2 seconds. From here to the finish the water was quite rough and the time was slower. At three miles Harvard led by ten lengths, passing the flag in 18 minutes and 30 1/2 seconds. Yale's time was 19 minutes 40 1/2 seconds. Both crews spurted at the finish but Harvard crossed the line fifteen lengths ahead, an easy winner. The official time was: Harvard 25 minutes and 15 1/2 seconds. Yale 26 minutes 30 seconds. At the finish Harvard's crew appeared fresh and in fine condition, while in the Yale boat Peters and Parrott appeared to be blown and Storrs pulled in a rather listless style.

## California Horses.

Chicago, June 26. In the parade of animals at Washington Club Park, where the summer racing season is to be inaugurated to-morrow, "Lucky" Baldwin's stable turned out strong and the horses that came in for the greatest share of attention were Volante and Verano, the two Derby candidates, Lucky B, winner of the Louisville cup, and the handsome mare, Freda, who has become quite gray since last year. The appearance of Alf Estell, Mr. Morris, the California Derby champion, is eagerly looked for. It has been rumored that Alf Estell has been coughing of late, but he looked all right yesterday, as did his stable companion, Billy Ayers. Alta, belonging to Stemler, and Todhunter, another California horse for the Derby, also looks the picture of health. The meeting of these two horses should be interesting, as this spring in California, Alf Estell beat Alta for the winner's stakes in 2:37 1/2, one mile and half, both carrying 118 pounds, and in the Spirit of the Times stakes, one-and-three-quarter miles, at the same weights, Alta beat Estell in 3:10. Baldwin will start two horses for the Derby: Volante and Verano. Hollaway will ride the best of the Baldwin stables, George Hawson, Alf Estell, Caleb Leonard, Billy Ayers and Kelly Alta.

## Steamer Lost.

LONDON, June 26.—A dispatch from Yokohama says the American steamer City of Tokio from San Francisco, which is ashore at the entrance to this harbor, will probably prove a total loss.

New York, June 26.—The Evening Post's financial article says: Pacific Mail dropped 1 1/2% again this forenoon on the announcement that the company's steamer City of Tokio, which was yesterday reported stranded in the harbor of Yokohama, was really on the rocks outside the harbor, and has since gone to pieces. The loss to the company will be at least \$1,250,000, or over 6 per cent. on the capital stock, besides the interruption of business.

## He Must Go to Jail.

NEW YORK, June 26.—Judges Wallace, Benedict and Brown, sitting en banc in the United States Circuit Court, handed down a decision this morning confirming the decision of the court below, deposing James D. Fish, late of the Marine Bank, a new trial.
